FOUNDER BRIT WILLIAMS

MY STORY

I embarked on a granola bar journey back in 2015 after noticing the lack of nutritional value in the bars my husband was eating. Determined to create something better, I crafted a granola bar that was both delicious & packed with essential nutrients, free from unnecessary additives.

Over the next few years, I shared these bars with family & friends at events I managed, where they quickly became a favorite. Then, in early 2019, everything changed when a nationwide natural food store urged me to start selling them.

It was never just about granola bars - it was about sharing kindness & encouraging people to pause, truly see one another, & genuinely listen.

Our gluten-free, dairy-free bars are responsibly packaged & as a proud woman-owned business, we're committed to meaningful snacking with better values.

FROM OUR CLIENTS

Don't just take our word for it! Here's what businesses are saying about partnering with us throughout their gifting process.

HOLIDAY EVENT GIFTS

Absolute best experience working with Brit Williams and the P&TY Granola Co.

I called Brit to see if she could help me with a large order of boxes for client gifts, even with a quick turnaround. She delivered and keeps on giving. Our clients LOVED them and many reached out to me to see how they could order more on their own.

Everyone I have shared these with just falls in love with the concept and the bars!

Crowd pleaser with a heart!
